## Declaration of conformity with REACH<sup>1</sup> / SCIP<sup>2</sup> requirements on supplied products

### Declaration for REACH

We confirm that there are no “substances of Very High Concern (SVHC)” according to the Candidate List for Annex XIV (version January 19th, 2021) contained above the limit of 0,1% (b.w.) in our products.

Additionally, we can confirm that all raw materials used in our products are REACH-conform, i.e. they are REACH registered or exempt from registration.

### Declaration for substance of concern in articles, SCIP

We confirm that, to the best of our knowledge, packaging of our products does not contain any of the substances of very high concern (SHVC) included in the Candidate List for authorization (define according to article 59 of REACH) on concentrations above 0,1% w/w.

Please note that this certificate is based on the information given to us by our suppliers at the date of this document.

<sup>1</sup> Registration, Evaluation, Authorisation and Restriction of Chemical substances (REACH), Regulation EC 1907/2006, <https://echa.europa.eu/>

<sup>2</sup> SCIP is the database for information on Substances of Concern in articles as such or in complex objects (Products) established under the Waste Framework Directive (WFD). Companies supplying articles containing substances of very high concern (SVHCs) on the Candidate List in a concentration above 0.1% weight by weight (w/w) on the EU market have to submit information on these articles to ECHA, as from 19 January 2021.
